

iServe Project Budget Planning Worksheet

Please fill out all areas of this worksheet as best as you can. It can be emailed back to olivia.pennington@northmetro.net . Breakdown your project and show associated costs. Each project will be evaluated and we will inform you as to which can be embraced by iServe. All iServe Teams are encouraged to raise funds to support projects. iServe budget dollars will assist in paying the costs above and beyond what is raised. If you are overseeing multiple projects, complete a sheet for each.

Instructions:
